

# THE GARDEN LETTER

GREEN THOUGHTS FOR THE NORTHERN GARDENER FOUR TIMES A YEAR — VOLUME 6, NUMBER 4

## LATE SUMMER 2003

### Hello Again.....2

Renovation blues.

### Pros & Cons.....3

To weed... or not to? And some helpful tips.

### Know-how.....4

Division update, pruning shrubs, landscape lighting, how to make herbed chèvre.

### Just Ask.....5

Overwintering a Japanese maple.

### Letters from

#### Friends..... 6

John Stoller's late-blooming passion for variegated plants.

#### Plants We Love.....6

Blue notes in the garden, red foliage plants, white petunias.

#### Blundering Gardener....8

Never enough dahlias, my leaning garden, new look for a slippery slope.

#### Kitchen Garden.....8

Cooking with heirloom pears.

#### Pests.....11

Old Europe (slug control overseas); toxic cocoa beans.

#### Weather Report.....11

For peat's sake. Global warming claims another victim.

#### Design.....12
